HOBBIES AND INTERESTS

Karate- Karate Master 2. DAN

I have been practicing karate since the age of five, with over 21 years of experience in martial arts. As a multiple-time national champion, I have developed discipline, focus, and the ability to remain calm under pressure. Karate has taught me that hard work and dedication are the keys to success, especially in challenging situations. These values guide my approach to both personal and professional endeavors.

Game Development

In my free time, I enjoy exploring the world of game development, particularly using the Godot game engine to create my first own game. I am fascinated by the challenge of mastering this tool while applying my creativity and problem-solving skills to design unique gaming experiences. This hobby has not only sparked my passion for programming but has also taught me valuable insights into the art of game design.

Fitness

In my free time, I enjoy staying active and maintaining my fitness through regular exercise. Consistent training helps me feel healthier, more energized, and ready to take on challenges with a positive mindset.
